People making a world of difference is a

recurring theme in the feature articles—as well as

in the other stories—in this issue of the campus

magazine. In fact, this theme

is what UC Santa Cruz is all about—creating and

conveying knowledge that empowers people to

make a difference in the world.

There's something about UCSC—its unique envi-

ronment, its personalized learning opportunities,

its rich tradition of collabora-

tion across cultural and disciplinary boundaries—

that nurtures innovative programs and creative

people.
